

For your own safety when on-board a Wheelchair Accessible Bus (for Passenger in wheelchair)

DOs

1. Plan your journey in advance by visiting www.sbstransit.com.sg or call SBS Customer Relations Centre at 1800-287 2727 to check the bus schedule of the bus stop you intend to board.
2. Apply brakes to your wheelchair after positioning yourself at the designated wheelchair bay. (your wheelchair against the padded backrest)
3. Please park your wheelchair only at the designated wheelchair parking bay.
4. If possible, please hold on to the handrails situated at the sides.
5. Always bring along your own lap belt and secure yourself to your wheelchair.
6. Indicate your intention to alight by pressing the 'call-button' early.
7. Allow other passengers to board/alight first before the bus captain assist you.
8. Be considerate to other passengers.

DON'T

1. Do not disengage your wheelchair brakes when the bus is in motion.
2. Do not cause obstruction to other passengers.
3. Do not attempt to board/alight the WAB before the ramp is deployed by the bus captain, even if you are assisted by a caregiver. Please alert the bus captain for assistance.
